Message from the Mayor

With most of the casinos now re-open, outdoor dining offered at many restaurants and eateries, and crowds returning to the beach and Boardwalk, it is sure beginning to feel like summer in the great City of Atlantic City. However, as I have said before, we must proceed with caution. Currently, there is a recent surge in the spread of the Coronavirus in southern and western states. Florida has confirmed a record number of cases and North Carolina, South Carolina, Tennessee, Missouri, Idaho, Alaska, Alabama and Texas are reporting alarming rates of infection.

As Mayor, I am very concerned with the health and well-being of our residents. Since last March, we have been addressing the pandemic to the best of our ability and keeping you informed and up-to-date. We are working

with Governor Murphy and the State of New Jersey, as well as with various health organizations to monitor the Coronavirus in order to ensure public health and safety. This has been a slow process, and I thank you for being patient and understanding during this unprecedented time. The COVID-19 pandemic has changed the way we live and created many challenges for each and every one of us.

It is extremely important to continue to follow the recommendations of the Centers for Disease Control in order to curb the spread of the Coronavirus. Please be sure to wear a mask/face covering when in public, practice social distancing, wash your hands thoroughly and disinfect and sanitize your surroundings.

Once again, I am honored to salute and extend my heartfelt appreciation to our Frontline Heroes: the emergency personnel, public safety and public works employees, City Hall staff, government workers, transportation/delivery personnel and food industry employees who go to work each and every day in order to save and sustain lives. I am very proud to recognize and commend their outstanding efforts and sincerely thank them for a job well-done.

Remember, we are in this together, and together we will get through this!

Yours in service to the community,

Marty Small, Sr.

Mayor
